ITASCA ISD TO BREAK GROUND ON FOUR NEW TURF FIELDS WITH CARTER CONSTRUCTION

Itasca, TX - June 2018

Itasca ISD – Carter Construction Company to begin construction for four new turf fields for Itasca ISD, including a Baseball, Softball, and two little league fields in addition to a new Ag Barn, concession building, and parking lot improvements. Itasca is located 45 miles South of DFW and serves students from K-12.

About a mile from the High School, Carter Construction will construct four brand new outdoor turf playing fields including; installation of Sprinturf Carter Triple Play on each field, and baseline striping. On the same property, Carter will construct a new concessions building, agriculture barn, and improve the existing parking lot.

Carter Construction's patented Sprinturf Carter Triple Play synthetic turf uses specially designed fibers, which were developed after years of experience in baseball turf. The infill system is designed to assure great playability and provides a consistent playing surface with rapid drainage.

Carter Construction Company specializes in Athletic Facility Construction. Each member of Carter's team from Customer Relation's to Administration to Quality Control to the Field Crew are dedicated to the quality, efficiency, and effectiveness of the entire project.
